# 2018 Committee Interest Form

Are you interested in getting the most out of your LeadingAge Indiana membership? As a member, you have the opportunity to participate in LeadingAge Indiana Committees. Individual representatives from your company can choose which committee they would like to be a part of based on their interests and specialties. Serving on one of eight committees may be for you, your staff or your colleagues. Read below for committee descriptions, and fill out the bottom portion to show your interest.

### Awards

The awards committee determines award categories, secures nominations from the membership and selects winners for the Annual Awards Program. They meet once per year.

### Education

This committee plans, organizes and implements, in conjunction with LeadingAge Indiana staff, LeadingAge educational programs and educational content for the spring and fall conferences. They meet four times per year.

### Human Resources

The human resources committee's intent is to provide resources and support on issues related to personnel and human resource development within the context of long term care. Members also can share best practices. Within the committee, legal and professional consultants share information as well. The human resources committee meets twice per year.

### Housing

This committee is designed to address member needs for those who are involved in low-income

subsidized apartments for the elderly. This is a great opportunity for networking and sharing ideas, programs and resources. The committee meets two times per year.

### Reimbursement

The reimbursement committee identifies issues related to the Medicaid case mix reimbursement system and the Medicare Prospective Payment System. They also help develop appropriate LeadingAge Indiana responses. They meet on an as-needed basis.

### Nursing

This committee group meets to discuss topics centered on clinical and regulatory issues, quality improvement, leadership and culture change. The committee meets quarterly.

### Billing

The billing committee is designed to address member needs with Medicaid, Medicare and primary insurance billing. They share and obtain information from peers as well as representatives from insurers. The committee meets three times per year.

## Committee Interest Form

Check the committee your employee is interested in joining, include their name and email address. Once it is complete, please email your form to [asullivan@leadingageindiana.org](mailto:asullivan@leadingageindiana.org) or mail/fax it to the information at the bottom of the page.
